EXPERIENCE

Freelance Interactive Developer

2002 - Present

Urban10 Interactive

Working with clients in order to take their projects through the entire scope of work--from planning and design to interface and back-end development. Projects range from graphic identity and branding to interactive web and rich internet applications.

Intern Architect

Jan - Dec 2005

Weiss/Manfredi Architects

New York, New York

Responsibilities included the design of marketing, presentation and exhibition graphics and boards, and initial planning for the firm website.
Involved in the design development and physical/digital model construction for the McCann Residence and a new multi-function student facility for Barnard College in Manhattan.

Web Developer

Feb - May 2004

Charles Moore Foundation

Austin, Texas

Responsibilities included the development and implementation of a dynamic project and publication web search application to be integrated into the existing web site.

Student Programmer

Jan - May 2004

Information Technology Services, University of Texas at Austin

Austin, Texas

Responsibilities included the design and development of an online student marketplace portal utilizing an Oracle database backend and PHP driven front end.
Project focused heavily on complying with W3C and University of Texas web accessibility standards.

Intern Architect

Jun 1999 - Aug 2001

Scott Ballew, Inc. Architects

Dallas, Texas

Responsibilities included the completion of plans, details and sections for final construction documents as well as presentation graphics and digital models for educational facility projects.
Additional duties involved occasional construction site visits and project consultant meetings.

Intern Architect

Jan - Jun 2000

Cutright & Allen Architects

La Grange, Texas

Responsibilities included the completion of plans, details and sections for the final construction documents for local small-scale commercial projects.

EDUCATION

Bachelor of Architecture

May 2000 - May 2006

University of Texas at Austin

Awarded university honors spring 2000 - fall 2001 and spring 2003 - spring 2004.
Cum Laude, spring 2000 and spring 2004
Maintained overall GPA at or greater than 3.5.

AWARDS

Architecture Excellence in Design Award, spring 2004
Architecture Sound Building Distinction Honors, spring 2004
